EZOIC | LEVELS

Basic Ad Policy Requirements for Ezoic Level 1

These are derived from many of our ad network partners that compete for ad space on our sites. Here are the main areas we review:

    a. [Content must be original](#)
    b. [Traffic must be authentic and human](#)
    c. [Content categories must not be on the prohibited list](#)
    d. Sites must have a menu/navigation
    e. Content must not be locked or unable to be copied and pasted

No pageview limit is only for Ezoic's Access Now program
